11. VOLUNTEERS

11.1.01 VOLUNTEER AGREEMENT

VOLUNTEER AGREEMENT

1. I agree to work within the general ethos of the Jesuit Social Services. To do this, I will be attentive to the directions of the management and be guided by those administering Jesuit Social Services.

   "Jesuit Social Services is a community of people, in solidarity with those in need, providing practical programs of service and committed to social action. Our vision is shaped by a Christian faith which is inescapably social in its implications. It is a vision of service, which must be a dialogue, born of respect for people, especially the poor, in which we share their cultural and spiritual values and offer our own cultural and spiritual richness."

2. I agree as a member of Jesuit Social Services to respect the privacy of others.

3. I am committed to punctuality, and if unable to present myself, to notify the manager, or receptionist, of the centre beforehand.

4. I understand my obligation to report to management any incident or situation I believe they ought to know.

5. I acknowledge that at any stage Jesuit Social Services management may terminate my involvement as a volunteer.

6. I have read and understood the Jesuit Social Services Code of Conduct.

7. I understand that my personal details will not be used for any other purpose.
